

Dear Council

NHS Suffolk are hosting a virtual community event about COVID – so that your community can put their questions about the COVID-19 pandemic to a panel of experts from local health and care services and community leaders.

They will also have the opportunity to hear local updates on the pandemic and how the vaccination process is being rolled out in the region.

The event will be hosted on Microsoft Teams on **21 January at 6.00-7.30pm.**

You do not need to book a place in advance and can join by clicking the following link:

<https://sneevaccine.org.uk/event/>

The expert panel will include Executive Lead Suffolk and North East Essex Integrated Care System, Dr Ed Garratt; Director of Public Health, Suffolk County Council, Stuart Keeble; Ipswich GP, Dr Juno Jesuthasan; local community leader Gulshan Kayembe; Business and Operations Director at Ipswich and Suffolk Council for Racial Equality, Phaniel Mutumburi; CEO Healthwatch Suffolk, Andy Yacoub; and Chair, North East Essex Clinical Commissioning Group, Dr Hasan Chowhan.

Please share this information with your community.
