

Bungay Live Well is a partnership between East Suffolk Council, Bungay Town Council and Halesworth Volunteer Centre and aims to offer and promote opportunities for people of all ages to make a real difference in their local community, keep active and improve the quality of life for themselves and others. Part of this work includes having a database (both online and as hard copies) of local community groups, clubs and organisations which local residents can access and find out how they, or people they know, can become involved to help reduce social isolation and improve peoples health and well-being.

Bungay Live Well also hopes to assist with promoting all the volunteering opportunities there are in the area and help to develop sustainability amongst local community groups, clubs and organisations by offering networking events to showcase the fantastic work which is already taking place and encourage closer partnership working where possible.

If you would like your community group, club or organisation to be included as part of the Bungay Live Well database, and receive details of future networking events and initiatives, please complete the following information and return by either email to bungay@halesworthvc.co.uk or post/hand deliver to Bungay Town Council, 1a Broad Street, Bungay, Suffolk NR35 1EE.

Name of Group/Club /Organisation	
Lead/Main contact Name	
Location (where activity/service is delivered from)	
Phone Number	
Email	
Website address	
Type of Activity/Service being offered? (Brief description, e.g. arts and crafts, sports, befriending, coffee morning etc.)	

Target audience (e.g. specific ages, gender, people with a particular disability or health condition etc.)	
When does your activity/service run (days of the week/times)	
Do you have any volunteering opportunities, if so in what role/s?	

By completing this form you agree to having your details stored by the Bungay Live Well project team (East Suffolk Council, Bungay Town Council and Halesworth Volunteer Centre) who will publicise this information on line and as hard copies for the purpose of the Bungay Live Well Project. This includes a database promoting your group, club or organisation and to invite you to other events linked to Bungay Live Well. Your details will not be passed on to any other organisations or services that are not directly linked to Bungay Live Well.

If you would like to find out more about Bungay Live Well or discuss having your details stored, please contact;
