

POLICE CONTACTS

Community Policing in Bungay is carried out by the Safer Neighbourhood Team (SNT) which is split up into three teams. This means that there is an SNT on duty every day covering the town.

Each of the three SNT teams has an officer allocated to pay extra attention towards Bungay:

- Team 1 is PC Emily Leach
- Team 2 is PC Richard Bemment
- Team 3 is PC Steve Fisher.

Should you wish to email the SNT or one of the above officers, then contact beccles.snt@suffolk.pnn.police.uk

Should you need to report a crime then dial 999 in the event of an emergency or otherwise dial 101. You can also report incidents online by visiting <https://www.suffolk.police.uk/contact-us/report-something>
